# Become a Sponsor or an Exhibitor

Dear Sponsors and Exhibitors,

On behalf of the organizers of **Metamaterials 2026, the 20th International Congress on Engineered Material Platforms for Novel Wave Phenomena**, I cordially invite you to take part in our Congress, which will take place in *New York City (NY, USA)* on 31 August - 05 September 2026. Following the success of the previous editions, Metamaterials 2026 will continue to provide a premier international forum to share the latest results of the metamaterials research worldwide. This event will bring together the engineering, physics, and material science communities for 4 days of presentations, discussions, exchanges, courses and strategy development in artificial electromagnetic materials science and technology. <https://congress.metamorphose-vi.org/>

**Metamaterials 2026 represents an excellent opportunity to reach your target audience, potential customers and promote your products and services among the leading researchers, engineers, professors and students working on artificial electromagnetic materials, metamaterials, nanomaterials, electromagnetics, optics and antennas, as well as on applications of metamaterials to fluid mechanics, thermodynamics and geophysics.** The past editions have consistently attracted over 400 participants from 40 different countries of 5 continents. We expect this year to further improve the number of attendees from a broad range of backgrounds, including universities, scientific organizations, publishers, and industries. As metamaterials are moving beyond the halls of academia into the commercial market, we believe this is one of the most exciting times in the history of our field, with great advantages for first-movers in this emerging industry and emerging market.

We offer the following options to promote your organization at our Congress:

- Attending the conference as an **Exhibitor**, or
- Advertising your organization by choosing a **Sponsorship Package**, Standard, Silver, Gold or Diamond; and/or several additional sponsorship options, or
- Signing up for both (**Exhibitor/Sponsor**) for maximum publicity.

You may choose from the listed options or contact us to customize a specific package tailored to your organization's individual needs.

I am looking forward to seeing you at Metamaterials 2026 in New York!

or an Exhibitor**

# Journal Editors Pass

Editors of Scientific journals can attend **the whole conference (four full days) by paying the Day-rate registration fee.**

## **Day-rate registration fees:**

- € 450 (conference social dinner not included)
- € 570 (conference social dinner included)

To be eligible for this option, you must be an accredited member of the scientific journal. Please contact us to enable this option for your registration.

**Become a Sponsor  
or an Exhibitor**

## **ADDITIONAL PREMIER SPONSORSHIP OPTIONS for a customized sponsorship**

- ❖ **Students/Researchers Travel Grants Sponsorship** (cost and details to be discussed with the organizers) – Grantees will be selected on a competitive basis.
- ❖ **Student Paper Competition Sponsorship** (cost and details to be discussed with the organizers) – The recipients will be selected on a competitive basis. Sponsors have the option of presenting the awards at the closing ceremony, one of the most visible events of the Congress.
- ❖ **School Sponsorship** (cost and details to be discussed with the organizers).
  
- **Organize Own Workshop** (cost: available upon request) – We can arrange for your organization to offer specialist workshops devoted to company products that you would like to present.
- **Session Sponsorship** (cost: available upon request) – Elevated publicity during the congress by linking your brand to one or more sessions of the technical program of the Congress.
- **School Sponsorship** (cost: available upon request) – Increase your visibility also during the Doctoral school organized after the congress.
- **Registration Bag Logo** (cost: available upon request) – We can showcase your logo on the official conference bags, distributed to all participants at registration.
- **Delegate Badge Lanyards** – Your organization can provide the badge lanyards to be given to all delegates, with your logo printed on the neckband.

I am looking forward to seeing you at Metamaterials 2026 in New York!
